

Plastic Economy w/Wire

Rodillo economico de surco espiral plastico com alambre

Wire Handle/Mango de Alambre

110W050300	1/2" Diameter x 3" Long	(14mm x 75mm)
110W075300	3/4" Diameter x 3" Long	(18mm x 75mm)
110W100300	1" Diameter x 3" Long	(25mm x 75mm)

Perfect for repair kits!

All of our plastic handle economy rollers feature strong steel frames with washer thrust points for easy cleaning. Roller heads are the same design as more expensive deluxe and quick-release rollers. Smaller handles are great for tight areas or small hands. Even these economy handles are made of textured Poly-Pro plastic.

Economy XL

Our new extended frame is perfect for hard to reach lamination jobs. The collarless and washer less design allows lamination in the tightest mold areas. Our compact, textured blue handle offers superior grip when compared to other economy handles and is bored undersize to remain secure on the steel frame. Each roller head is machined to the same standard as our deluxe rollers and our frames are made from strong, 3/16" galvanized steel for long life.
